

5X Racing Team Support Program

Thank you for your interest in joining our Team Support Program! As a small company owned and operated by racers, we choose to spend our advertising budget on unique programs and sponsorships that target our demographic, which are limited budget racers and local race programs. Instead of spending our advertising money on magazine ad's and internet banner ads, we would rather help out the people that are spending their hard earned dollars racing and getting out on track. It's our way of giving back to the community in which we participate.

This program is designed for racers to receive a discount on the commonly needed things they routinely have to replace or repair on their race cars, and other things to help them along with their racing program. Although the program is designed for racers, it is acceptable for a street based autocross, track day, or time attack driver to participate in the program as long as they are willing to place the required stickers on their car and participate regularly in track events to help us promote our business where we want it noticed, at the track. We have some special rules and instructions regarding your participation in this program that need to be understood and agreed upon before we send out our sticker package and discount code for use on our site. Please read and agree upon the following criteria, then let us know if you want to proceed with the program. Upon agreement, we will email you a confirmation that you will virtually "sign" by replying "I Agree to the terms and conditions of the 5X Racing Team Support Program".

Please read the terms and conditions of the program and email 5XRacing@gmail.com if you are interested

- The 5X Racing Team Support Program can end at any time without notice
- 5X Racing has the right to terminate your participation in our program if we do not receive proof of our stickers on your car and race results/track event purchase receipts.
- I agree to send visual proof in the form of three or more emailed pictures showing both sides of the car with the stickers placed on it, and one showing the hood with the sticker placed on it.
- I agree to the use of my photos on the 5X Racing Team website and other forms of media including but not limited to: facebook, youtube, email flyers, advertisements, and other forms of media with your car showcased.
- I agree to email my race results if I am a racer, my purchase receipts if I am not participating in a racing event, or any suitable proof of my participation in track events to 5XRacing@gmail.com to initiate my participation in the program and my continued participation in the program. Proof must be emailed to us at least twice per year.
- I will place the following stickers on my vehicle: two 22" 5X Racing logos for each side of your car, one 18" logo sticker for the hood, and two 9" slap-it stickers for wherever you want on the inside or outside of the car.
- The 5X Racing Team Support Program can exclude certain products and items such as: wheels, tires, wheel/tire packages, oversized and unusually heavy items, or any item that we do not carry a good enough profit on to offer a discount
- The discount program will exclude any product that has a very strict manufacturer pricing structure that does not allow us to offer any sort of discount.
- By participating in the 5X Racing Team Support Program I am representing 5X Racing as a company. I will do my part in helping to promote 5X Racing by telling my friends about our products, and continuing the "word of mouth" advertising we rely on to drive business to our company.
